No. 2 VOL. 7

The fifth annual joint DX Conference between the Northern California DX Club and the Southern California DX Club, was held at the Hotel California in Fresno on January 16-17, 1954, with a nice turnout from both groups.

We also had a few non-members from our area in attendance.

Plan now to be present at the same place on January 15-16, 1955, so we can have an even better turnout from Northern California. Events are planned for your enjoyment so make an effort to be on hand at these joint meetings

RADIO CLUB ARGENTINO

Buenos Aires, 30th of December, 1953

Mr. Don C. Wallace, W6AM  
4214 Country Club Drive  
Long Beach 7, California  
Estados Unidos de Norte America

Dear W6AM:

On the Honor Roll you now have 243 countries on the CW/FONE Section and 190 countries on the FONE Section.

As we yet hadn't mailed your C.A.A. Certificate, the seal belonging to your QSO with IU8ZF, Bahia Esperanza, will be added to it. The seals for the C.A.A. Certificate correspond only for QSO's made with LU stations situated in the Argentine Antarctic Zone, so, also we recognize the CE7Z's as a country for the Honor Roll, they do not merit a seal for your C.A.A. Certificate.

You have been awarded the C.C.C. Certificate for CW and another one for FONE. Also you will be receiving the T.P.A. certificate only for CW/FONE, as we do not offer two different T.P.A. Certificates.

By now you have practically all the Certificates this Club can offer, so permit me to forward my sincerest congratulations for such an outstanding achievement.

Enclosed in this letter you will find the eight QSL cards you send us. Should you by any chance fail to receive these Certificates during the next two months, please drop us a line, and we shall mail a duplicate immediately.

Wishing you and yours a very Happy New Year, we remain sincerely yours,

Enrique Alejandro Gil, LU9AD  
Contest Manager
