

This issue of the DXer marks several personnel changes in the club offices and DXer staff.

First off, this is the first issue under new editorship. I want to thank Jack, K6ERV for presenting the opportunity and Doug, W6HVN for his help in getting started. Doug certainly is to be commended for his excellent work in bringing the DXer along to its present state both in content and in organization. He has done a fine job and I hope to be able to do as well.

All correspondence and contributions should be sent to P.O. Box 608, Menlo Park, Calif., 94025. I hope that many of the members and also non-members will accept the invitation to be heard via the pages of the DXer. This exchange is extremely important to a publication of this nature and I will be counting on YOU to maintain the fine quality you have enjoyed in the past.

Congratulations to the newly elected club officials! I wish to take this opportunity to congratulate Dave Baker, W6WX, President elect, and Bob Vallio, W6RGG Vice President elect upon their recent election. I know that both Dave and Bob will execute their duties in fine style.

Also congratulations to Lee, W6PQW on his re-election. Lee has been doing an exceptional job as Secty-Treas. and I know that I speak for the entire membership in expressing appreciation for the work he has done and will continue to do.

## ZL2AFZ

GEO. C. STUDD  
48 NUFFIELD AVENUE.  
NAPIER, NEW ZEALAND.

As Many of you know George Studd, ZL2AFZ is currently visiting the U.S. following his retirement effective the end of April, 1966. George's XYL will not be accompanying him as she "gives me one year to get into mischief with the 'boys'". George was in the bay area last week and could be heard chatting on two meters with W6UMI and W6WX. Unfortunately George will not be able to attend the July meeting since the delay caused by the Bus strike will force him to cut short his visit. We certainly hope George will be able to meet as many of the gang as possible while in the area.

As things now stand concerning the status of the DXer printing, it is being done by the California Office Service, 989 Howard St., San Francisco. The cost is to be \$4.00 per page which will include printing, collating and stapling. There will be an additional charge of \$7.00 for folding, stapling, and addressing, while postage will run, in addition, about the same. There will be several extra copies which will be sent to the P.O. box. Some of these will be brought to the meetings for distribution to guests while others will be sent to others deserving through Jay, W6UMI.

This is a shot of "Your Old Friend" Don, W9WNV, operating at 1M4A, Minerva Reef.

---

For those who are wondering what happened to CR7GF, exZD8HL, and there planned DXpeditionary operations scheduled to commence on or about the 26th of June, we offer the following. CR7GF was heard Tuesday evening (Wed. am) just as he was about to "leave for the office" with no mention of aforementioned operation. So.....

73 from the Editor,

Wayne Mills, K6ALH

JUNE, 1966, MEETING

The meeting was called to order by President Jack Brollier, K6ERV, at the Lazy "V" restaurant in San Bruno. A total of 26 was present. Guests were: ZL10Y, K6EBB, K6CAZ.

The Treasurer's report: Bank balance..... \$344.35  
Petty cash..... 60.23  
Total -- \$404.58

The minutes of the previous meeting were read and approved, followed by a discussion of DX'er editing and printing problems as they pertain to time and expense. Because of "business QRM", Doug Murray, W6HVN, regretfully tendered his resignation as editor.

K6ERV reported on the great success of the Gus Browning get-together, noting especially that the NCDXC can take justifiable pride in its handling.

Nominations and elections of club officers were the next order of business. Dave Baker, W6WX, was nominated for president. Nominations were moved and voted closed, and Dave was elected by acclamation.

Nominated for Vice President were: Dave Palmer, W6PHF; Bob Vallio, W6RGG. The tally was 9 for PHF, 15 for RGG. W6RGG was elected.

W6PQW was the sole nominee for Secretary-Treasurer, and was, therefore, elected.

The members voted to accept in its entirety the recommendations of the "DX'er of the Year Award" committee, as reported in the DX'er.

It was voted to drop the Box 75, Oakland, address for the NCDXC. Effective the 1st of July, the proper address for the NCDXC will be:

Northern California DX Club  
P.O. Box 608  
Menlo Park, Calif. 94025

By acclaim, the members voted to extend to Joe Gambord, WB6KBG, their fullest appreciation for the hospitality which he exhibited during Gus's visit in our area.

Jim Neiger, W6BHY, played a tape which was forwarded to him by John Beck while here. The tape was taken by John during his sojourn at VQ9J. Copious QRM.

Following the roundtable, the meeting was adjourned at 11:16 p.m..

Respectfully submitted,

Lee Shaklee, W6PQW  
Secty-Treas.

Might remark that ten meters is showing spurts of activity. Have worked twenty different ZL's & VK's plus eleven S.A. countries in the past three months, plus KX6 & KJ6.

Brad, W6VUW:

Been working on WPX recently. Off the air for about ten days while on a trip to Washinton D.C., New York, and Niagara Falls.

Gene, W6PLS:

Just returned from cruise on SS Canberra, where there is no MM operation. Rather inactive during the past year due to health and travel.

FLASH!

Latest word on Don's Heard Is. activity, according to W4BPD, relates the possibility of sooner than expected activity there. Be watching after the fifth of July. There is a possibility of as little as 24 hours operation, so keep your ears tuned!

Thanks W6UMI
