MINUTES SEPT NCDXC MEETING

The September meeting of the NCDXC was held August 13, 1971 at the Black Angus Restaurant in San Mateo. The meeting was called to order by Wes WB6UJO

1701 .000

It was reported by the treasurer, John Larson K6AUC that he was still awaiting authorization from the bank to sign checks for the NCDXC.

First readings were then made as follows:

Perry Foster- WB6JRL
Donald Bussrar- K6UJS

Second readings followed:

Harvey Girrard VE7XY/6
Orman Meyer K6QX
William Plummer WB6UNS
Richard Lawton K6QZ
Larry Webster K6RPH

All of these were unanimously voted into membership.

A motion was made by Lee, W6BH, to hold the second reading of Russ Spalding, WA6AVS/KC6RS for one month due to a question regarding his permanent residence.

Jim, W6CUF recapped the itinerary for the wine tasting Dinner to be held at the Novitiate Winery on September 22.

The contest Chairman, Fred, WA6BVY, reported to the Club some of the results of last years ARRL and CQ DX contests.

W6RGG, Bob, gave a recap of the DX advisory committee meeting asking for a general opinion on the idea of a single combined phone-cw dxcc award in lieu of the present system.

He also requested opinion and comment regarding the possible deletion from ARRL countries list of all unadministered recks, sandbars, etc.

He further asked that the club be polled at a later date, on their opinion of the ideas and that the results of that poll be forwarded to the ARRL on NCDXC letterhead.

A motion was made and passed by the membership by Lee, W6BH to distribute QSL cards at the meeting by those bureau members who desire to do so.

Ron, K6DYQ was appointed to the membership committee by Wes, WB6UJO

The DX roundtable was followed by adjournment at 11:35 P.M.

Secretary Harley WA6ISX

To the members of NCDXC:

I want to thank all of you who have so graciously inquired as to my progress since I broke my Hip. Norman faithfully relayed your inquiries and good wishes when he came to the hospital and they added bright spots to the days.

Only if you have been hospitalized can you know how much fun it was to receive your cards which brought cheery greetings or a chuckle or two, or to have some of you (including the Club secretary and his vivacious wife) drop in for a personal "hello". I got to feeling I was a VIP!

You're a grand "bunch" and I always have felt proud to be a member of the Club.

73's
Kay, W6ZTJ

How Amateur Radio is Fun(?), or how to work on Antennas in Sept.

de K6IIG; One must have Rohn tower sections snap rigging line, when 70' high, hit guys, hit ground, hit you; Good for 3 trips to hospital/doctor.

de K6AUC; Look up at bag of tool hanging on crank up tower, say to one's self "if I crank this to far down I can dump a wrench on me" procede to crank tower to far down, get one pair of channel locks on head, good for; Trip to hospital, 5 stiches in head.

de W6KG; Put up 80 meter dipole, step back to admire handy work and step off roof three stories up, land on(?) get up and walk off to doctor find nothing broken: One useless trip.

REALLY!!! ED'S

As should be obvious from this year's ARRL, we can clobber Southern Cal if we want to.

If you need log sheets, send an SASE to CQ, pick some up at the Club meeting, or contact WB6UOM, W6ISI, WA6AHF, or myself. If you need a place to operate or you would like some more operators, get together with a friend and go multi op or contact one of the above people.

If you're new to contests and want advice, get in touch with some of the Club's hardcore contesers like K6AHV, K4BVD/6, WA6IVN, K6EBB, Etc. I'm sure they could give you some good pointers. My meager advice is to concentrate on working JA's and let the multipliers come second. For working the JA's, be sure to call CQ to get the JA's to call you. For multipliers, tune around a lot and do not spend too much time calling one station.

PLEASE: For ANY score you make, be sure to send it to CQ magazine and also report it to one of the following people:

WB6UOM	San Jose
WA6BVY	Los Altos
W6ISI	South San Fran.
WA6AHF	East Bay
