THE OCTOBER MEETING

Friday, October 12, 1984

TIME:

Cocktails - 6:30pm

Dinner - 7:30pm

PLACE:

Harry's Hofbrau, Palo Alto.

Take the Embarcadero turnoff to the Palo Alto Airport/Golf

course

PROGRAM:

NGBT, Tom - "How to get more with less" HF Antennas

THE PREZ SEZ

The contest season is here. Remember, if you expect to receive credit from the Club Contest and Awards Chairman you must submit a copy of your summary sheet to Ted, KA6W. There will be no exceptions.

You should find Tom's N6BT presentation at this months meeting of great value for the coming DX season. Don't miss it!!!

I would like to express my thanks to Bob, W6TEX and his crew, AA6AD, WB6DFX, WB6RIU, and AG6Q for their work on the annual club picnic. Those of us that attended enjoyed it very much.

Bruno, AA6AD, is again to be commended for the clever hiding of the transmitter. In fact it should have been called a "duck hunt", instead of a "fox hunt." Congratulations go to AA6G and KN6K for finding the decoy duck, on the pond. KZ6Z won the grand prize, which was the Doctor DX Computer Program.

See at the meeting.

DXCC DESK

The ARRL Awards Committee met on September 18 to consider the recommendation of the DXAC to delete Baker, Howland and American Phoenix Islands DX country listing, and to add a new DXCC couintry, Baker and Howland. The committee rejected this proposed action by a vote of 6 to 1. Therefore, the present listing remains that will no longer include the American Phoenix Islands, since sole jurisdiction has been under the republic of Kiribati since September 23, 1983. Thus, no deletion or addition to the DXCC list will occur.

Nigeria - 5NOHAS, Hal, has been active on 7005KHz at 0100Z. QSL to Box 2873, Lagos.

China - BY5RA has been active at 1200Z on 14181KHz with DU9RG. WC6I, Steve, lists the following beam headings for working the various BY stations:

BY1PK 319° BY5RA 307° BY4AA 309° BY8AA 320°

San Felix - CEOAA is still active on CW and SSB. If you have not worked him, check your coax! Once number 2 on the most wanted list, should now rank 20 to 30.

XT - The West African country of Upper Volta changed its name to BOURKINA FASSO, which in the language of the dominant Mossi tribe means "land of upright men." (submitted by K6FD)

ZA - The rumor still persists DJOUJ may show the week of October 8-12 from ZA-land. CH2BH is still waiting for a return invitation.

ET - Ethiopia, ET3PS, has been showing on 14210 to 14220 around 1600-1900Z. QSL via DJ9ZB.

J61 - KC2CS and KC2JL will be operating from St. Lucia from October 9-19. All bands. QSL via KC2CS.

Mellish Reef - Still expected to show just prior, during, and after the CQWW. They hope to use the callsign VK9MR, but look for VK9ZM thru ZR.

CHAD - TT8CW, Henri formerly FB8ZQ¶ has been reported on 14230 at 2300Z. He reports he will operate 10-15-20 CW.

GUINEA-BISSA - J5WAD reported operating from 14230-14240 at 0200Z. QSL via UB5WAD

FROM RTTY on 14MHz (N6uw)

"The shortest possible event that can take place is the time that light takes to cross a proton and in seconds is a decimal point followed by twenty-three zeros and a one, but I believe that the time it takes a wife to get mad at her husband is much less than that." (Ham unknown)

To: All Amateur Radio Clubs and Radio operators. From: Gordon Girton, W6NLG, a new VEC.

The FCC will stop giving Amateur Radio exams by the end of this year, but we can start giving exams now. In place of the FCC we will have a new program with all volunteers to prepare and administer operator examinations in the Amateur Radio service.

Definitions:

- 1. Volunteer Examiner Coordinator (VEC) is a person who has an agreement with the FCC to coordinate the efforts of volunteer examiners in preparing and adminstering examinations to applicants for amateur radio operator licenses. 97.503(a) The VEC is the interface between the (VE) and the FCC.
- 2. The Volunteer Examiner (VE) is the interface between the VEC and the public.

We would like to recruit:

- (a) Amateur Extra Class volunteers because they can give Technician thru Extra class exams.
- (b) Advanced class license, 1985?

How all this works.

1. Each VE needs to sign our Form 101 (Application to become a VE) to be an accredited VE with our program. If you need a Form 101 please send a S.A.S.E. to the address shown below.

2. The new program calls for a minumum of 3 VE's per exam and teams of 3 VE's for large groups (except for Novice, which is not part

of this program).

3. Notify Sunnyvale VEC A.R.C. (SVECARC) 40 days in advance of your exam (10 days for us and the mail system and 30 days for the FCC). All exams locations and exams must be open to the public.

4. VEC will generate the answers for the exams.
The FCC has a data base of 1400 questions (200 per element +).
We select a question and generate the different multi-choice
answers using 20 to 50 questions depending on the element. These
question are now available to the public in PR bulletins 1035,
1035A, 1035B, 1035C & 1035D.

5. We will computer generate a new code test cassette for each exam

session.

Other Exam locations (California, Alaska, Pacific & Nev. ?)

1. Call the VEC HOT Line (408) 255-9000 24 hours a day for information.

2. If you know of other exam locations, please leave a message on the recorder, giving location, time, contact persons call, name and telephone number.

PS: Please recopy and give to your friends and Amateur Radio Clubs.

50 Años Wermanando Pueblos

Dear Colleagues:

We recently took the occassion to celebrate the 50th Anniversary of the establishment of the Radio Club Venezue-la. Among the commemerative festivities was an expedition to Aves Island (YV0AA). These expeditions have periodically taken place since June of 1956. The most recent trip was No #9 (March 1,2 and 3, 1984) and was sponsored by the Radio Club of Venezuela and the Venezuelan Navy. The R.C.V. is also the organization in charge of QSLs.

We recently learned that a number of our expedition members were listing themselves as QSL Managers for the Aves Island expedition. We wish to inform all members of the DX community, in the most emphatic way, that no one has been authorized by the R.C.V. to manage QSLs and therefore, the only QSL cards which will be confirmed, will be those received by the R.C.V. QSL Bureau, Post Office Box 2285, Caracas, 1010A.

The expeditions official QSL card signed by Edwin Rivera, YV5HUJ, is the only one accepted for DXCC.

Very Truly Yours,

Tom Delfino, YV5IPY

ROSTER UPDATE

The 1984/85 membership roster is due out in late November or early December. NOW IS THE TIME to provide the club secretary with changes of address, phone numbers, and other pertinent information you wish to appear in the roster.

WHERE ARE YOUR CLUB DUES????????

40% of our current members have not paid their dues. Some of you are still owing a balance of \$2.50.
