## Audis

May 8, 1968

2-68

FARQUHAR Harvey, WQ9V and Bob leaving May 5th for Farquhar. Expect to operate starting Thursday May 9th and thru May 13th. Harvey will operate sideband on 14198-14200, 21245-21248 and 28700 or slightly lower. Bob will operate c.w. on 14003-14005

CE3ZN Joaquin is expected to be in San Francisco for two weeks during May and may bring some cards for the locals. Joaquin reports that a mail strike in Chile has been delaying some mail.....so do not give up on CE9AT.

LEBANON OD5BZ coming in SP 14210 around 0300. QSL W8ZCQ.

LIBYA 5A-land apparently back on the year after almost a year. 5A4TZ heard on 20 meters the last week.

St. Pierre FP8CS on the YL-SSB System in mid-week. QSL to K20JD.

WEST GULF DX Bulletin. Apparently has run into trouble and has ceased publication. Inquiries have brought notes that 'no cooperation' and other matters brought about the end of this long-time DX Bulletin.

BURUNDI 9U5CR showing up around 1800GMT daily around 21265. QSL to Box 1322, Bujumbura, Burundi

SWAZILAND LP between 14210 and 14220, 1400-1600GMT. Handle is John and QSL via XE2YP. Might help to tell you the call is ZD5V.

SOMALILAND 601GB, George on LP on weekends 1300-1400. Also on SP 21370 at 2000Z. Has an almost daily schedule with W6HSL and will stand by when through but does not appreciate breakers while talking with W6HSL. QSL mgr for 601AB is W1YRC.

SAO TOME CR5SP, A1, frequently found on Sundays around 21240 or plus a few. Listening sometimes 21250 and up. Also found at times inside band. Usual time around 2200GMT. QSL either direct to CBA or to W2GHK.

BRUNEI Dennis says he and another operator will operate VS5RCS May 30 thru June 2nd. Expects to be on about 16 hours daily on 10-15-20. Will look for the West Coast SP from 1400GMT onward until band goes out. Will operate on low end of 20 phone and possibly below. QSL to Dennis Bowden, 1 Regt, Malaysian Signals, c/o GPO, Kuala Lumpur, Malaysia. Dennis' home call is 9M2NF and is on twenty most mornings.

LIECHTENSTEIN HB0AG on 21255 at 2030GMT. QSL Erwin Huber, Box 171, Schaan, Liechtenstein. HB0AFM also has been showing up a couple of times a year, usually late May and September. 20 meters 0300Z.

REUNION FR7ZG, Guy Langlois, on 14215 or lower from 0300 on LP. QSL direct.

DXCC The ARRL Annual Report shows that 1100 DXCC Certificates issued in 1967, 388 of which were for phone. 3107 endorsements issued and 168,067 cards checked. There was one disqualification for gross forgery and 173 advisory letters sent to amateurs who submitted altered cards.

OCEAN ISLAND VR1L still coming through around 0800GMT. QSL to K6UJW.

KENYA 5Z4KO, Fred, 14235 LP 1500GMT. QSL to Fred Sawyer, Box 30517, Nairobi, Kenya.

NEPAL 9N1MM, Father Moran, coming in 1500GMT 14203. Try both LP and SP. QSL via W3KVQ.

AFGHANISTAN YA1DAN, Ed, coming in early mornings around 1400GMT just above 14200. Try both LP and SP. QSL via KP4CL.

HUNGARY HA5DD, Dennis, another on the YL-SSB System at 14332. QSL via CBA.

CENTRAL AFRICAN REPUBLIC Dave regularly checks in with TL8DL on the YL System around 2100 GMT on Mondays. No pile up on this frequency.

Don Miller One story that has been heard is that the ARRL has an insurance policy with a \$5000.00 deductible clause. The story says that the most the League could be nicked....should a decision be given against it....would be \$5000.00 plus attorney fees. Same source believes case may not get on a court calendar for up to two years.

CONTESTS May 11-12 OZ-CCA 1200GMT May 11-2400GMT May 12. C.W.  
May 18-19 YL-SSB Contest. Don't let the title fool you. A lot of rare DX shows up on this system at 14332.

ANNUAL REPORT The ARRL Annual Report of Officers and Directors is available for \$1.00 from Newington.....this just about covers the postage. The information in the report is invaluable to anyone wanting to keep up with developments within the League.

FERNANDO PO EA0AH on again May 4th 21285 at 2300 onwards. Good signal and QSL to W4DQS.

VP2ME In case you missed it, the May QST on page 104 carried the information that DXCC Credit would not be given for VP2ME cards...

Tnx: W6ZC, W6PTS, WB6UJO, W6CYO
