11 April 1972

CALENDAR

FRANZ JOSEF UK1ZFI right around the first of May for two weeks.  
 CRETE SV0WEE April 23th for three days...all Bands....  
 MINERVA Possible in late May..May 31st to June 4th present planning.  
 CLIPPERTON Rumored....be alert  
 JORDAN 7Z3AB from the Palace in May  
 NAVASSA KC4DX from May 12th  
 UO50 Moldavia this week....UQ50 next week in the Russian round-robin.  
 NORFOLK VK5XX presently there with QRP c.w. signal  
 CHINA Canton Trade Fair on...watch hopefully this week.  
 WEST AFRICA WB2BAV departs April 13th for swing through a number of countries.  
 AVES Something possible this summer...still indefinite  
 PACC DX TEST April 29-30  
 USSR DX TEST May 6-7th..  
 BRASILIA TEST April 29-30

SOME SHORT NOTES

SV1CH on Lesbos indicates that he does not count for Dodecanese..

there being some islands north of Rhodes which are in the same governing status as Crete. Among these are Mytelene, Samos, Potmos and a few others. SV0WU, Ike, is on fifteen SSB almost like clock-work if you need this one. Watch around 21310kc from 1300Z.

The DX0PAR station was on in commemoration of the fight for Bataan some thirty years ago. WB2ZIER was running a list for FL3DA at 21295kc/1900Z....and JW7FD on Bear Island often is on 21300kc or thereabout from 1400Z. XU1AA was at 14243kc at 1600Z last Thursday. The Eastern states report that XU1AA seems to be easier on 15mtrs...Tony sometimes being at 21310kc around 1730Z. EA9EJ departs this Friday, April 21st for a four-month fishing trip and will not be an EA9 for a bit....meanwhile will be signing EA0 from the Canaries. Some betting that Justo will get a bit less attention as an EA0. KG6LC will be signing KC6SZ to April 29th while he is in the Carolines... Jim plans to be on daily from 0500-0700Z....14240kc and 21350kc. Jim will be there for skin diving as the main preoccupation. The Sports Club of Esthonia is sponsoring that UK1ZFI-Franz Josef trip of UR2AR and UR2DW. They plan to use a transceiver which can split frequency about 5kc. They plan to take a portable quad antenna. Some still asking about the new 3D2=prefix for the Fijis and the A35 for the Tongas. There they are...right out in the open again.

Reports are that the lack of activity by BV2AB is that Bob's XYL has been in the hospital for surgery and he has trouble with his rotator with the beam stuck for the time being.

Walt Knight, W6GB, long time friendly face at Walt Henry's in Anaheim passed away last week. W6DZK in the Sacramento Area is the new president of the North Hills Amateur Radio Club. Some say he ran on a platform of DX Power. FBCZA is a new one on New Amsterdam and will be there for 10 months. QSLs via F6BFA. Not too good on English but fluent in French. That means you drop in "Mon ami" every few words....

OUTER MONGOLIA A number of JT-stations were being heard last week, JT1AN, JT1AA, JT2AD and JT2AF being on twenty c.w. Often heard is JTYAE and from OK3BG some background information on this operation.

This JTYAE is Pavel Sneider, OK1IAI, 28 yrs old and his home QTH is at Stod near Pizen in Czechoslovakia. He has been active since 1968, primarily on 10mtrs c.w. Pavel arrived in Ulan Bator last October and will be there for three years. In January he was issued the call JTYAE, the JTY-prefix being a foreign license holder, the JT1-2-3-4 being Mongolian citizens.

JTYAE is usually found around 14030kc....sometimes also on fifteen c.w.....from 0630Z and the 15mtr band is usually for communications into Europe. Saturdays and Sundays are the days when he is less likely to be found. In February he made 1500 QSOs, some 800 with the W/Ks.

JTYAE will be back in OK-land in May and will return to Ulan Bator in June. He may try some 160mtr work after his return in June and is also looking for some SSB action though the rig is the main problem here. Presently there are at least 5 active JT stations with 7mc being the main action. QSLs for JTYAE go to OK1AQW with sae with IRCs welcomed. QSLs without IRCs will be returned via bureaus.

TNX to W1AM, W1MO, W1MQK, WA2DHS, W2FXA, WB2YQH, K2LGG, W4BA, W4EH, K4FRY, W4GTS, W4HU, WB4PUD, W4TUC, W4UF, W5ALA, W5UBW, WA5ZNY, W6APW, K6AQV, W6BJI, W6DZK, K6EC, W6FET, K6HIM, WA6JVD, W6ISI, K6KA, K6KII, W6KYA, K6LAE, K6MHD, W6OKK, W6OL, K6QF, K6SX, W6TSQ, W6TTS, K6UFT, WB6UJO, K6UJS, W6VQD, K6WR, WB6WHM, W6YUS, W7FSE, W7YIN, K7ZHS, W8BQV, W8SRK, K8RWL, W8WWH, W8ZOK, WB9BPG, W9DDL, WA9VOL, W0JRN, W0SUU, W0YDB, WB6RIU/HL9, KVAAM, OK3BG.

WEST COAST DX BULLETIN Published every week by the Marin County DX Group. One of the more obnoxious QRPers last week started things off by taking Tuesday off from work to work the CEØ-San Felix. He added another day off on Wednesday and finally got through. Thursday he came by, the picture of injured innocence. "Say", he said with his usual original opening, "what goes with Jeff? I called him to ask some information and he jumped all over me. I knew that he was home yesterday because I had heard him calling San Felix for two days". We mulled this one over for a bit and then asked. "What did you ask Jeff". The QRPer shrugged and said: "All I asked him was how do you QSL K9KNW/CEØ. I still don't know why he should get excited....that CEØ was rather easy to work....gave me a 5x9 report". Son of a Gun, what could one say but that all things are relative and a curve is never a straight line. \$9.00 for a running jump on a full year of innocuous DX inquiries....\$10.50 for some hot airmail replies....
