SIKKIM	AC3PT	on	at	1500	GMT	June	13th	at	142	O7kc	. F	air	sic	na:	Liei	por	ted			(K60JH	0)

- BRUNEI VS5MH on at 14235kc, 1530GMT. Operators Mike and Trevor. State that they will be active and will keep Brunei active. QSL either via VK6EZ or VK6 Bureau. Also, possible direct to Mike Heincen, Police Hqtrs, Brunei Town, Brunei. Cards for the FS5RCS operation being received already from 9M2NF. (W6ZC)
- DOMINICA VP2D operation commencing June 19th or 20th. Operations may include 15 thru 160m. Will operate for one week. WLMTU and possibly WLUSQ operators (LIDXA)
- FRENCH GUIANA PZ1BX operations in FY7-land tentatively scheduled for June 28-30 and August 10-25th. (K6AO)
- DELETIONS VS9H, Kuria Muria, and ZC6, Palestine, have been deleted from the ARRL Countries list. Contacts with VS9H after November 30, 1967, will be considered the same as contacts with the Sultanate of Muscat and Oman. ZC6 was the UN Truce Area bordering on Israel and no longer exists.
- CHRISTMAS IS VK9XI on around 1500GMT, 14230kc. Says he will be on rather regularly on Mondays but has been heard on other days. QSL via W2GHK.
- TIMOR The optimistic reports previously given on the VK8AV operation seemed to have been dulled somewhat. Latest report is that XYL of VK8AV unable to get license or operating permit. However....CR8AH, Fernando, only licensed amateur reported on island at present. Does operate around 21225kc around 1600, a.m. sighal. A SWAN 350 sent to him was misrouted to Portugal. When it arrives Fernando will operate inside American Bands. Due to power problems operation around 1600GMT mostly.
  - LIBYA 5A2TR, George, operating around 14332kc at 2100 June 12th. Regular check-in on the YL SSB System.
- OCEAN IS VR1L, Bob, still good around 0700GMT around 14240kc. QSL via K6UJW.
- DON MILLER Information received indicates that no credit will be given for the last operations in the Indian Ocean from Blenheim, Geyser or Nelson until the current lawsuit settled. So it may be for years and it may be forever... (WARG)
- ED DEYOUNG Thinking of another DX-Trip in the Pacific. Would like some indication of what is most desired....or needed. Eds new QTH in 5-68.
- NEW CALEDONIA F2VT/FK8 on at 14020kc at 0600 June 13th. QSL via REF. (WA6IVM)
