NEPAL 9N1MM running schedules with K6OJO. Next schedule is 26 July at 1530Z at 14260kc. Contact K6OJO if you need this one. QSL via W3KVQ. (K6OJO)

INDONESIA Indonesian Government now issuing amateur licenses with prefix YB. However U.S. and Canadian amateurs should avoid working these stations---if possible---until official word from ITU Geneva that Indonesia has withdrawn objections to international communications by amateurs. Be strong, men. (ARRL)

QSL CARDS Report that some PY0-Fernando de N. cards have been received but many still looking. KP4BDU reports that of July 10th Caribbean cards still not received from printer and he and Nick are chewing their nails waiting for them. With the settlement of the Don Miller lawsuit cards should now be accepted by the ARRL---and reports are they have---for Blenheim and Geysers Reef and Nelson in Don's 1968 efforts. The first two presumably for new countries and the latter as Chagos.

CENTRAL CONGO REPUBLIC TL8DL, Dave, has left and has been replaced by Gilbert, TL8EL. Heard July 10th from 1800-2000Z at 14332kc but with weak signal. (W5LZZ)
