Bulletin

July 23, 1968 _____ 13-68

GIBRALTAR ZB2AY showing up from 1800Z onward, 14195kc, listening all the way up to 14220kc depending on conditions. Name is Roger. QTH in any late Call Book.

TROMELIN FR7ZL/T coming into the Coast around 0300Z at 14237kc. Handle is Guy and is scheduled to be there thru July 25th.

CORSICA F0FV/FC on until July 31st. Using a transceiver and will be working all bands. Operation time mostly 0500/0700 and 1900/2300. QSL DL7BV (Watts)

IRELAND EI2BG on most Mondays and wednesdays around 0600Z. Handle is John and QSL to ICI House, Bray, Eire. Usually around 14220kc. (W6CYO)

SEYCHELLES VQ9DH, 21275 at 1815Z July 19th. Handle is Dave. QSL chores for this station have been taken over by Rubin, WA6AHF. (K6CWS)

INDONESIA Several new stations with the YB-prefix being reported. YD1AB-AC-AD reported as being on the air plus others with /YB portable calls. Looks like the situation is opening and all is needed is a lifting of the ITU ban. (Watts & others)

NEPAL 9N1MM, Father Moran, being heard regularly around 14300kc around 1400Z. His frequency may be from 10 down to 10 up.

WELL?? AC4PN heard July 17th working c.w. to SSB, 14197kc to 14203kc. Gave name as Kahn. Beam heading 85° and weak signal. What would you think? And how would you get a QSL out of Tibet?

YEMEN LWLADO reported as running a schedule with F8RU around 0300Z. Indicated frequency is 14180kc with possibility of listening at 14240kc.

QSL CARDS ARRL apparently still not accepting cards for VR3DY....note said that corroborating information has not been supplied. Also, Don Miller's cards for 1968 Indian Ocean operation still not accepted up to last week in spite of reports that they were. Advice is to resubmit at a later time. Also, there still are many looking for the PY0--Trindade--cards while some have reported they have been received.

IWO JIMA KALIJ operated by Don, K8WXV, will be on the air for about a month before his tour ends. KALIJ has skeds with WA8AZB Wednesdays at 1400Z, 14250kc and on Saturdays with W7IOS at 1500Z, same frequency. Anyone not receiving a card from KG6IJ from Oct 1, 67 thru June 26, 68 or from KALIJ to August 22, 68 can QSL, with s.a.s.e. to home QTH of K8WXV.
